MEMORANDUM FOR THE EXECUTIVE OFFICER, OCB

Subject: FSB D-44, Coordinated Information Program for the Far East (OCB File No. 28 )

1. The subject paper is:

☐ Approved.\*

☒ Approved, subject to the recommendations, comments and/or amendments set out below.\*

☐ Disapproved, See comments below.\*

2. ☐ Desire paper be considered by the OCB.

3. Recommendations, amendments and/or comments.

**Comment:** Since this report was completed, two new working groups have been set up whose subjects relate to this subject, i.e. (1) Group on Expansion of Educational Facilities in the Far East and (2) Group on dissemination of books, publications and on libraries. It is assumed that they would have been mentioned in the report had it been drafted later. It does not seem necessary to revise the report merely to include such reference.

It is understood that FOA feels that there should be periodic reviews of the whole U. S. Far Eastern Information program to see that it is consistent on an area basis. CIA agrees with this idea but does not feel that informal organizational mechanism to accomplish this task is necessary.
